SPONSOR AN ORPHAN

There are **132 million orphan children** around the world as reported by UNICEF in *The State of the World's Children*. These children range from newborns to teenagers and many of them don't have access to regular meals. With no access to primary education, orphan children have no way of building a promising future, and the prospects of their nations remain unstable.

With Humanity First, you can open the doors of opportunity for orphan children and significantly **change their lives forever!** Humanity First is a non-profit charitable organization running the Orphan Care program in many underdeveloped countries. With your help, we are able to place the orphan children under the care of skilled couples and loving families. The focus of the program is to provide orphan children with a well-balanced environment, giving them the opportunity to grow into valued members of society. Humanity First is able to provide:

- **Medical Attention**
- **Healthy Meals**
- **Clothing**
- **Primary and Secondary Education**

Did you know that a small donation of \$35 to \$100 per month can help a child live a normal life?

With Humanity First, your money is fully spent on the child with no middle-man or administrative expenses; as Humanity First is supported 100% by non-paid volunteers.
